

Oh! Rats!! ~ 12½ inch block

© Sindy Rodenmayer 2009

- Seam allowance is not included - please add 1/4" if turning edges under.
- Remember to reverse your templates if you want your blocks to face the same direction as the picture.

I recommend using the –

[Fons & Porter Multi-Purpose Pressing Sheet](#)

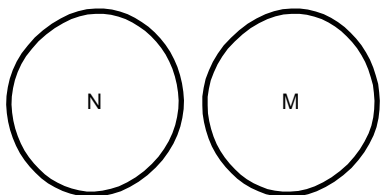

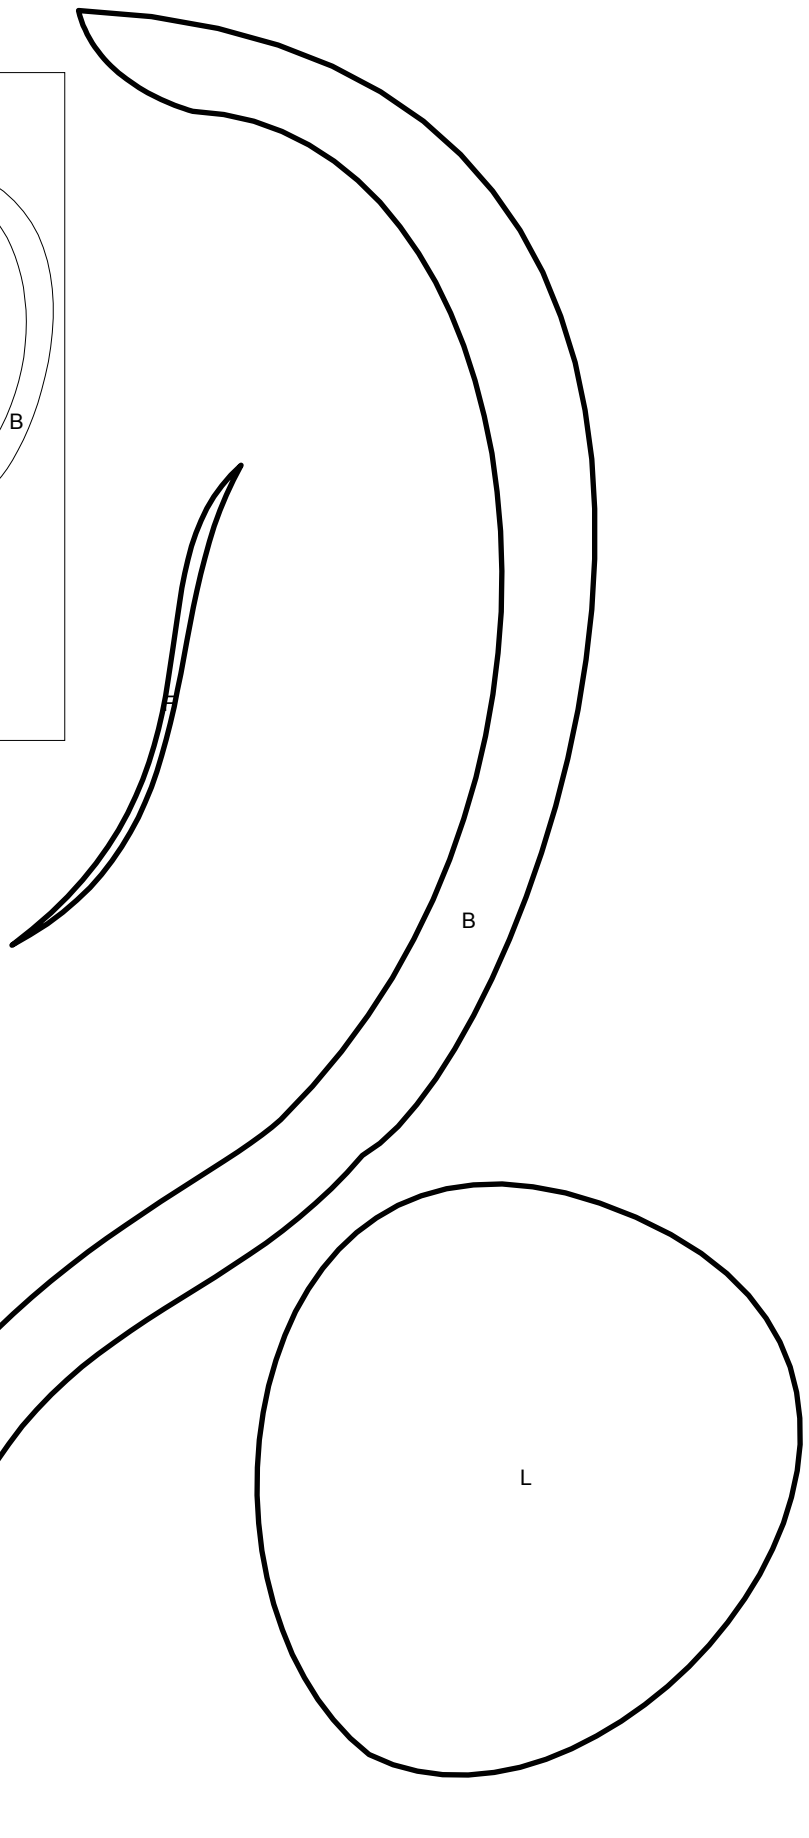

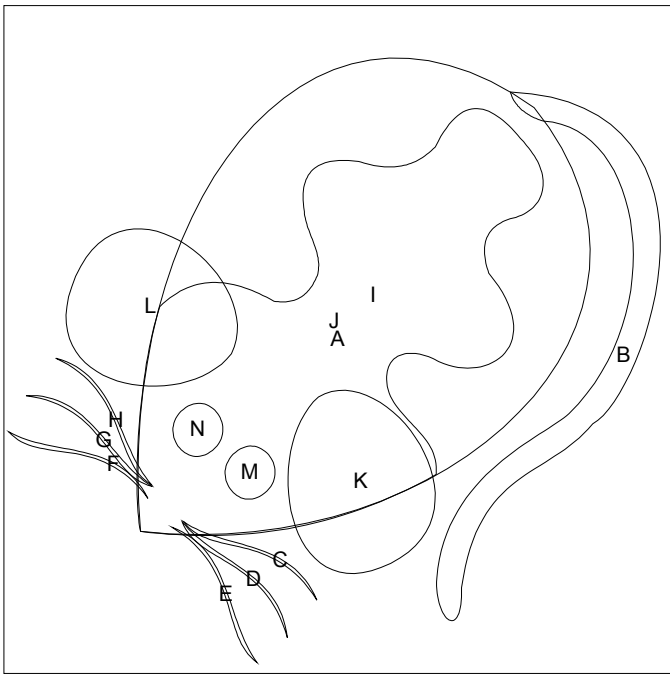

I have removed the patches for all but one of the whiskers, as they really are too small to appliqué. I would suggest using a decorative stitch or embroidery to embellish these on.
